## 2 Days Beginners Nail Extensions

This course offers a professional start for those committed to becoming a full service nail technician.

### The Course will cover?

- Anatomy, nail disorders and diseases, health & hygiene
- Work station set up
- Hands on application of chosen system i.e. application of tips, blending, overlay, filing, re-shaping and finishing application. Removal of nails
- Maintenance/Rebalancing of chosen system
- Nail varnishing and varnish removal
- Product knowledge
- Client care and consultation, home care, retailing and general business advice

### You need to know this before you start.

**Beginners** - must attend both days 1 & 2

**Existing Nail Technicians** - Day 2 is used as a workshop day for existing nail technicians who wish to update their current application or learn a new one. In this case you must be able to apply tips, blend them and be able to do at least one overlay. You will be working in pairs during your training and all nail extensions should be removed. Lunch and refreshments will be provided.

### How the Course is taught

**Day 1** - The course starts with understanding theory and a practical demonstration followed by students working on each other to practice techniques. **Day 2** - The course starts viewing existing application and reviewing as necessary. Practical demonstration followed by the students working on each other to practice techniques

### The Course is assessed by

Observation of practical skills during the course along with oral questioning to clarify understanding. Home study is necessary.

### You will need the following materials? \*Prices are subject to change

You will need to purchase a kit or products prior to the course date.

### The course is accredited by

This course is accredited by the Guild, BABTAC, Professional Beauty and a VTCT Award can be achieved as well as QCF Credits. CPD Points can also be achieved. A Certificate will be awarded to those completing the course, which will enable the student to obtain liability insurance. This course is worth 39 CPD points.
