Anatomy & Physiology

Anatomy & Physiology is often needed to attend some of our one day courses as it is important to understand the bone and muscles structures of the body in order to give the most optimum treatment for the individual. Using the 'Anatomy & Physiology Workbook for Beauty and Holistic Therapists Levels 1 - 3', this one day workshop gives a brief outline into A&P and the knowledge of how to use the workbook to its full potential. On completion of the book our assessor will mark this and issue a certificate to be used in conjunction with courses such as body massage to obtain insurance through our accreditation.

The book covers

- Cells and Tissues
- The Integumentary System
- The Skeletal System
- The Muscular System
- The Respiratory System
- Circulatory Systems
- The Nervous System
- The Digestive System
- The Genio-urinary System
- The Endocrine System
