Eyebrow Threading

Threading is an ancient technique of hair removal. A great alternative to waxing or other forms of hair removal. An increasingly popular technique which when mastered is very profitable. Students will be shown and learn how to create the perfect shape brow to suit the individual clients face shape.

The course covers

Health & Safety
Salon and Personal hygiene, and sanitation
About the Eyes brows
Client consultation
Contra-indications to the treatment and client care
Practical demonstration of treatment procedure.
Hands on for students
Troubleshooting.

You will need to know this before you start.

No experience is necessary. You will be working in pairs during your training and you will need to have eyebrows that need plucking prior to the course. Lunch and refreshments will be provided.

How the Course is taught

The students begin by learning about the products followed by a practical demonstration. The students will then work on each other to practice techniques

How the course is Assessed.
